

St. Cosmas Aitolos Greek Language & Culture School

Why Learn Greek?

Any foreign language is a great asset for young Americans. Learning Greek will help you exercise your brain by learning another alphabet. 25% of the English vocabulary is of Greek origin. Communicate with your relatives, friends and Greeks. Learning about your heritage.

Mission Statement: The mission is to provide education and instruction of the Greek language, culture, and heritage; to enhance bi-cultural and bilingual awareness; and to promote the moral and ethical values of the Greek Orthodox families.

Objectives: The objectives of St Cosma Aitolos Greek Language & Culture School at Holy Trinity Greek are to present all aspects of the Modern Greek language to its students, including vocabulary-building, reading, writing and grammar with emphasis on conversation. Greek poems, prayers, songs and dances are used to teach the students about the Greek culture, heritage, religion and history.

Greek School Curriculum

Level I (PK/K /1): Introduces the Greek Alphabet, basic vocabulary, grammar

Level II: Continues the student's vocabulary grammar and reading
